# CLASS DESCRIPTIONS

## THEATRE

### PERFORMANCE CLASSES

These classes provide intensive age appropriate instruction in acting, voice and choreography. Students learn-by-doing as they are cast, rehearse and perform in a musical or play. No auditions or previous experience is required unless otherwise noted. Casting takes place on the first day of class.

**PRODUCTIONS:** For either the beginner thespian or returning actor/actress. These classes offer students the chance to participate in a full length theatrical production with all the associated stage elements (lighting, sound, makeup, costumes, props). Production classes are rehearsed and performed on the Kennedy Grand Stage in front of a public audience.

**RADIO THEATRE:** Students rehearse and then experience the thrill of performing an old fashioned radio show complete with live sound effects for a public "live studio" audience on the last day of class.

**STORYBOOK THEATRE:** For the young beginner actor/actress who wishes to test his/her skills on stage in front of an audience, but has the comfort and security of performing in a small and intimate setting with a short-format production. Storybook classes are rehearsed and performed on the Storybook Stage in front of family and friends.

### THEATRE TECHNIQUE CLASSES

**VOICE:** Various music curriculum taught by professional vocal coaches with a concentration on skill and technique to enhance performance.

**ACTING:** A variety of age appropriate classes taught by theatre professionals offer specific instruction on topics including film acting, audition prep, improvisation and basic acting techniques.

**MODELING:** Introduction to age appropriate make-up, grooming, hair styling, etiquette, runway movement and posture, with a focus on building self esteem and awareness.

### THEATRE EXPLORATION CLASSES

**DRAMA QUEENS (girls) & ADVENTURE KIDS (boys & girls):** These classes channel dramatic inclinations and have a "stage-load" of fun with innovative theatre instruction.

**THEATRE SKILLS:** Includes specialized classes in technical theatre.

**PRINCESS MANNERS & VIRTUES:** Come learn how to do all the important things in life to become a real life princess, from the Celebration Princesses themselves.

## VISUAL ART

All art students will create take-home art projects with a gallery at the end of the week.

### ART FOCUS CLASSES

**ART PRACTICE:** Classes are focused on a specific medium or technique. Students will build upon fundamentals throughout the course.

**CREATING CULTURE:** Classes complete projects based on Art History, Art Theory, and trends in the contemporary art world. Students will complete artwork in different mediums throughout the course.

### ART EXPLORATION CLASSES
